Calgary Dental Centers welcomes you to experience continuity of care. Dr. Hanif Asaria is a local resident, and a Canadian graduate, credentialed by the National Dental Examining Board of Canada. He has spent his entire professional career – *more than 27 years* – attending to the oral health of Calgary families. By offering a broad range of services administered with a *high standard of care*, patients rarely need to be referred out to other providers.

Convenience and quality care, start to finish

- Calgary Dental Centers is located in the plaza for easy access, with free parking, handicap spaces, and room for buses.
- We happily accept referrals from Blue Cross, and patients on welfare and social service programs.
- Consultations are free.
- No charge for back-to-work sick notes.
- We follow the Alberta Blue Cross (ABC) fee guide. Patients have a familiar co-payment, with *no surprises at billing and no overcharging*.
- Calgary Dental Centers work with each patient to make dental healthcare affordable, with customized treatment plans and in-house financing.
- Patients are never left without a source of contact. Dr. Asaria is available on weekdays during office hours. After hours, calls are forwarded directly to his mobile phone, and personally answered until 9:00 p.m. Calls are handled by a helpline, through the night and on weekends.

General dentistry and pediatric care is provided at our 17th Avenue Dental Center. Procedures from fillings, to dental implants, gum disease treatment, dentures, and extractions with gentle sedation are available at our Calgary Dental Care office on Macleod Trail SE. At either location, you are assured of *compassionate dentistry for every stage of life*.
